MEMBERS AND ADMINISTRATORS, CITY OF TORONTO BOARDS:

This is to give you preliminary information on the upcoming appointments process for City of Toronto boards.

Council Members will be appointed to the boards at City Council's First Meeting on December 7 and 8, 2010. Once Council has appointed the Members, the City Clerk will notify each board and appointee.

The City Manager is recommending refinements to the Public Appointments Policy for consideration by Council in early 2011 (January/February). The process for public appointments to the boards will begin after that. We anticipate that the process will take at least 2 to 3 months to complete. Incumbent public members remain on the boards until their successors are appointed.

Once the recruitment process begins, the City Clerk will notify current public members, Council Members, and anyone who has asked to be notified, that positions on boards are available for the 2010-2014 term. Positions will also be advertised on the City's web site and in newspapers. Information and applications will be available at information sessions, the civic centres and on the City's web site.

If you have any questions about the appointments process, please contact your board administrator or the City Clerk's Appointments Team at appoint@toronto.ca
