COMMENTS

The Masters Certificate in Municipal Leadership offered through the City of Toronto by Schulich School of Business at York University is the definitive municipal leadership program in Canada. It helps to provide an analysis of the individual's current leadership style and empowers them with the knowledge to build on current strengths and neutralize weaknesses.

The Schulich Executive Education Centre is a strategic business unit of the Schulich School of Business at York University. Their mission is to enable individuals to continue to develop their skills in the workplace and for organizations to build the business skills and leadership capacity they need for them to sustain and prosper.
