Attn:

Dianne Young, Chief Executive Officer, Exhibition Place
Councillor Mark Grimes, Chair, Exhibition Place Board of Governors

I am finding it difficult to attend Exhibition Place Board of Governors Meetings when they start at 8:30 in the morning, especially with the current winter weather creating poor driving conditions. I am a single father and I take my daughter to school in Woodbridge in the morning before driving down to the CNE grounds for the meetings. On a day like today I need to speak to the Board about reshuffling the agenda and I am unable to as I'm not available until after 9:15 am. I had requested a change in start times at a previous Board Meeting with no luck.

I am asking that the Board hold items 23 and 24 until I arrive, as I would like the opportunity to debate these items. I am also requesting that two agenda items, 23 and 24, be switched in the order of the agenda. I would like to debate exclusivity rights for Muzik Nightclub prior to debating holding raves.

Kind regards,
