FACSIMILE TRANSMISSION COVER SHEET

Organization: MHPM Project Managers Inc.
Attention: Ron Spina Facsimile No.: 905-475-1138
From: Mahyar Tavassoli Date: March 11, 2008
Reference: Tender Submission for Conference Centre at Exhibition Place
Original to follow in mail: Yes Page 1 of 1

We hereby contest the validity of submission of Vanbots Construction Corporation and AECON Buildings with reference to the following instructions in the contract documents:

- Section 00 21 13 (R3) INSTRUCTIONS TO BIDDERS, subsection 5.1 states "The bid submission must be in a single envelope and must include:", and then identifies seven items including item no. 5 which is "Workers' Compensation Board Certificate of Good Standing and Safety experience rating; "

From the tender submission record at Exhibition Place, the above contractors missed the WSIB certificate; we feel that their bid is invalid and should not be considered.

Thank you for your attention to this matter.
