To submit for approval the terms and conditions for an agreement to provide high reach equipment on a rental basis to Exhibition Place and the NTC.

Financial Implications and Impact Statement :

The projected annual expenditure for high reach equipment rentals is \$155,000.00, of which more than \$107,000.00 is recoverable from clients of the Board. The remaining \$48,000.00 is provided for in the 2005 Operating Budget of the three Program areas.

Background:

In November 2002, a request for quotation (RFQ) was awarded by the Board to United Rentals of Canada Inc. for the rental of various types of high reach equipment for one year with an optional second year term from January 1, 2003 to December 31, 2004.

Comments:

Exhibition Place and the NTC utilize these various types of high reach equipment on an as required basis to fulfill both internal maintenance service requirements and client driven needs, including the needs of the CNE.

In November 2004, Exhibition Place through the City of Toronto Finance Department's Purchasing and Materials Management Division issued an RFQ for rental of various types of high reach equipment to 18 listed suppliers. Three quotations were received from United Rentals of Canada Inc., Hertz Equipment Rental and Battlefield Equipment Rentals.

The RFQ was structured in a manner that required bidders to provide daily, weekly and monthly rental rates including cartage costs for provision of various specific types of high reach equipment to meet both short and long term needs. The results were as follows:
