SUBJECT:

Facility & Event Security Services for The National Trade Centre

RFO 9101-99-01523

Recommendation:

It is recommended that an agreement for Facility & Event Security Services for The National Trade Centre and Automotive Building, be entered into between the Board of Governors of Exhibition Place and Trillium Security Services Inc. ("Trillium"), this being the overall lowest bid which meets or exceeds all requirements.

Background:

Since its opening in 1997, The National Trade Centre has on a month-to-month basis contracted with Eastlea Security Company to provide security and marshalling services.

Discussion:

An RFQ for Facility and Event Security Services for The National Trade Centre and Automotive Building was issued on March 16, 1999 with a closing date of April 1, 1999.

Through the City of Toronto Purchasing Department, 46 firms were invited to bid on this quotation. Eleven (11) submissions were received from the companies noted on Exhibit A attached.

The RFQ specified the staff complement required. Each company was required to provide a schedule of hourly rates for the required security staff, for a three year period July 1, 1999 to June 30, 2001. Staff then compiled this information to determine the overall cost of each submission over the three years. This cost comparison is indicated on Exhibit A.

Trillium submitted the overall lowest bid. Trillium was incorporated on April 1, 1987. The company has extensive experience in servicing trade and consumer shows, the convention industry, special event security, and building and facility security. Therefore, the report recommends entering into a one year agreement with the option to extend for two (2) one (1) year periods if all terms and conditions are agreeable to both parties.

The major terms and conditions of the agreement are:

- 1. Term: One year with option to extend for two, one year periods.
- 2. Provision of required complement of staff as per the RFQ.
- 3. Comprehensive public liability and property damage insurance covering all operations and liability assumed under the contract, with an insurance company satisfactory to The National Trade Centre. The Board of Governors of Exhibition Place, City of Toronto, O&Y/SMG Canada, their respective directors, officers and employees being added as additional insureds.
- 4. Provision of written policies and procedures.
- 5. All other terms and conditions which are satisfactory to the Interim General Manager of Exhibition Place and the City Solicitor.

Conclusions:

This report recommends that the Board enter an agreement with Trillium for the provision of security services to The National Trade Centre.
