Subject: Letter from Father Thomas Rosica

7 June 2000

Ms. Katherine Reed-Garett
Director of Business Development & Special Events
Board of Governors
Exhibition Place
Toronto, Ontario

Dear Ms. Reed-Garett:

This letter is a request for me to attend the next Board of Governors meeting. This short-notice request is being made since I will be working at the Vatican all summer on the World Youth Day 2000 event. My presentation to the Board of Governors will consist of the following information:

- Greetings from the Canadian Conference of Catholic Bishops
- Details of meetings that I have had with various private companies and Government departments.
- Progress on the readiness of the City of Toronto to host such an enormous event.

It is my intent to bring you and the member sof the Board of Governors completely up-to-date on the Catholic World Youth Days 2002.

Thank you for your assistance in this matter and I look forward to hearing from you in the very near future. With every good wish, I remain

Yours sincerely in Our Lord,

(Reverend) Thomas M. Rosica, C.S.B.
Chief Executive Officer
