The perfect space for your meeting

Taking the LEED®

Beanfield Centre is Canada's most environmentally responsible conference facility, and the first in Canada to achieve LEED Silver certification. As part of our GREENSmart program, we have adopted a number of initiatives with respect to sustainability, energy production and waste reduction.

Our turnkey green meeting spaces feature leading-edge technologies and practices such as:

- Power from 100% renewable energy sources
- Improved air quality through CO₂ sensors
- GREENGUARD-certified furnishings
- Rainwater harvesting to reduce water consumption
- Low VOC paints, carpets and adhesives
- Organic recycling programs

Beanfield Centre features 20 second-floor meeting rooms accommodating between 50 and 1,500 delegates. Many of our meeting rooms offer natural light from large windows with picturesque views of the city and waterfront. Each stylish, modern room features the latest in environmentally responsible technologies while offering ergonomically designed furniture, automated AV systems, fast, free Wi-Fi Internet and multi-level lighting.

Flexible meeting rooms

A wide-angle shot of a modern conference room. A long, dark wood conference table is the central focus, surrounded by brown leather chairs. At the far end of the room, two large flat-screen monitors are mounted on a dark wood wall, displaying a blue sky with clouds. A small camera is positioned above the screens. The room has a high ceiling with recessed circular lights and long, vertical light fixtures on the side walls. The walls are a light beige color with dark wood trim. Several framed pictures are hanging on the walls. The overall atmosphere is professional and modern.

Success meets here

Ergonomic design. Innovative technology.
100% green power. Successful meetings begin
and end at Beanfield Centre.

Unparalleled service

Enhance your special event with the exquisite service and culinary flair of our exclusive caterer Cerise Fine Catering. Allow your guests to enjoy the timeless grace, contemporary style and thoughtfully prepared menus that feature a wide selection of locally and regionally sourced food and beverages.

All served in a manner that reflects your style, purpose and budget, and delivered with meticulous attention to detail so you can concentrate on what matters most.

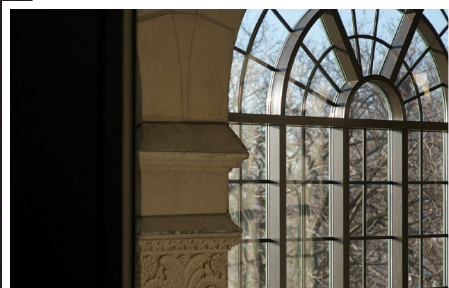

Custom. Contemporary.
Exquisite.

A modern event space with a long white bar in the foreground. The bar is decorated with several tall, slender white vases filled with pink cherry blossom branches. On the bar, there are lit candles in glass holders and several silver chafers. Behind the bar, a glass display case holds more candles. The background features a wall with a grid of square panels, some of which are illuminated. The floor is dark with a pattern of green circular lights. The overall lighting is a mix of purple and pink, creating a romantic and elegant atmosphere.

Down to the finest
details

Beanfield Centre boasts Toronto's largest pillar-free ballroom – divisible for plenary and meals – accommodating 500-2,200 dining guests, dramatic 30' ceilings, and an elegant modern aesthetic. Pre-function spaces surround the ballroom with natural light. And every detail – from the refined design palette to the modern amenities – has been carefully considered to create an exceptional experience for your delegates.
