If such complaint is not resolved to the satisfaction of the employee, they may file a formal grievance at Step One. The following grievance procedure shall apply with the time limits strictly observed as set out by this Article. If not observed, any such grievance shall be deemed to be resolved.

- 10.4 An apprentice shall not acquire seniority until they have successfully completed the apprenticeship programme and has continued employment with the Employer, at which time they shall be credited with seniority retroactive to the date on which they were initially employed as an apprentice.
- 10.5 It is recognized that the probationary period is a trial period and that the Employer has full rights to discharge a probationary employee, who has not yet acquired seniority, if in the opinion of the Employer, they do not meet the work standard required by the Employer. Such discharge cases will not be subject to the Grievance or Arbitration Procedure.
- 10.6 Seniority shall be accrued on the basis of working days worked and be exercised within the trade classification of the employee, i.e. journeyman plumber and journeyman steam fitter. Two hundred and thirty-five days worked shall constitute one year of seniority, and the number of years of seniority credited to the employee shall be calculated by dividing the number of days worked with the Employer by 235.
