The expiry of the Submission Deadline and submission time of a Bid shall be determined by Exhibition Place Online Procurement System including any addenda issued.
  - .3 It is the Supplier’s sole responsibility to ensure its Bid is received by the Submission Deadline in accordance with the requirements of this RFT. The receipt of Bids can be delayed due to a number of factors including but not

limited to “traffic”. The Supplier should allow sufficient time to submit the submission forms comprising its Bid and any attachments.

- .4 A Bid will only be considered to be submitted once it has been received by Exhibition Place as described in 1.9 Submission of Bids. The time of such receipt is reflected by the time stamped acknowledgement of receipt generated by Exhibition Place Procurement Contact.
- .5 Suppliers must submit their Bids in the format presented, prescribed and compatible with the requirements of the RFT and Exhibition Place Online Procurement System and must include all attachments required by Exhibition Place Online Procurement System. Failure to fully complete the forms presented in this RFT or to include and submit the required attachments or separate documentation, as applicable, may result in the bid being rejected as non-compliant.
- .6 The forms, documents and other items outlined in this Section 1.9 (Submission of Bids) must be completed in their entirety and submitted in the format presented and prescribed by Exhibition Place Online Procurement System and in accordance with the requirements of the RFT. Failure to so submit any such items may result in the Bid being rejected as non-compliant.

- .9 All Suppliers should exercise extreme care when completing their Bid submissions, as failure to complete the Bid fully or to comply with the requirements of this RFT may cause the Bid to be rejected as non-compliant.

**.2 Bid Submission Form**

**Request for Tenders**  
**Part 1 – Tender Process – Section 1**

---

- .1 Suppliers shall complete and submit all information and respond to all items in the Bid submission form set out in Form A of Part 4 (Bid Submission Form) (“**Bid Submission Form**”).
  - .2 The Bid Submission Form contains confirmatory statements and declarations in respect of Exhibition Place's Policies and Legislation.
- .3 Bid Bond**

All instructions for accessing authentication shall be included with the uploaded digital Bid Bond;

      - **be digitally signed and sealed** – the digital Bid Bond shall contain digital signatures and valid digital seals.
- A scanned copy of an original paper bid bond is not an acceptable digital Bid Bond. The Supplier and its surety company should refer to the e-bonding information on Surety Association of Canada’s website which includes: a list of third parties that provide online surety digital bond services (Exhibition Place does not endorse or promote any specific third party electronic surety bond service provider) and a checklist of industry requirements for e-bonding solutions which sets out the requirements for digital bonds;
- OR
- .2 an original paper Bid Bond physically delivered to the Procurement Contract along with the Bid before the Submission Deadline as per instructions for Submission of Bids.

**Request for Tenders**  
**Part 1 – Tender Process – Section 1**

---

Submitting a photocopy of the original paper Bid Bond is not acceptable. For clarity, Exhibition Place will not accept any original paper Bid Bonds that are delivered after the Submission Deadline and any original paper Bid Bond received after the Submission Deadline shall result in the Bid being rejected as non-compliant. **[The determination of whether the original paper Bid Bond is delivered by or before the Submission Deadline shall be based on the time and date stamp the Supplier must ensure it receives from Exhibition Place at foregoing address]**

- .3 The Bid Bond shall be in the amount and in the form provided in Form B of Part 4 (Bid Bond) or in another substantially similar format approved by Exhibition Place prior to Bid submission; and
  - .4 The Bid Bond shall be signed and sealed by the Supplier and by a licensed surety company, authorized to carry on business in the Province of Ontario, and having a place of business in Ontario.
  - .5 Failure of a Supplier to submit a Bid Bond, in compliance with the requirements of Sections 1.9.3.1 and 1.9.3.2 (Bid Bonds) shall result in the Bid being rejected as non-compliant.
- .4 Experience and Qualifications Form**
- .1 Each Supplier shall complete, and submit the Experience and Qualifications Form provided in Form C of Part 4 (Experience and Qualifications Form). In submitting such form, the Supplier gives Exhibition Place consent to contact the references therein to confirm the information therein. Failure to provide the required information listed on the Experience and Qualifications Form shall render the Bid non-compliant. If, in Exhibition Place's sole and absolute discretion, the references do not confirm the Supplier's experience and qualifications as required by the RFT, the Bid will be declared non-compliant and will not be considered for acceptance.
  - .2 Exhibition Place reserves the right to verify whether Suppliers are relying upon past experience of an Affiliated Person including the nature of the corporate relationship and its relevance to the Project. If, in Exhibition Place's sole and absolute discretion, it is determined that a Supplier is relying on an Affiliated Person's past experience and a transfer of the Affiliated Person's experience cannot be demonstrated as relevant to the Project then the Bid will be declared non-compliant and not be considered for acceptance.
  - .3 Exhibition Place reserves the right to verify past performance of the Supplier or its Affiliated Persons with Exhibition Place's performance records on relevant Exhibition Place projects (including Exhibition Place's agencies, boards, commissions and corporations).
  - .4 Exhibition Place reserves the right to verify a mandatory certification of qualifications submitted by a Supplier for itself or its Affiliated Persons with any relevant third party certifying organization.

**.5 List of Subcontractors Form**

- .1 The Supplier shall download, complete, upload and submit the form provided in Form D of Part 4 (List of Subcontractors Form) indicating the subcontractors it intends to employ to carry out each portion of the Work (“**Subcontractors**”) indicated therein.
- .2 Suppliers must not include companies under suspension by Exhibition Place on their list of Subcontractors.
- .3 Where union affiliation is required pursuant to Exhibition Place’s “Labour Trades Contractual Obligations in the Construction Industry” (more particularly described in Form A of Part 4 (Bid Submission Form) (Labour Trades Contractual Obligations in The Construction Industry)) for the Work or any part thereof, the Contractor (and any Subcontractor performing any part of such Work) must be affiliated with the applicable collective bargaining agency and the Supplier shall submit proof of such affiliation of the Contractor and all applicable Subcontractors prior to an award of contract.

**.6 Pricing Form**

- .1 Each Supplier shall complete and submit the Pricing Form set out in Part 5 (PRICING FORM) according to the instructions contained in such form.
- .2 In completing the Pricing Form, Suppliers must take into account compliance with all of the requirements of the RFT, including Part 3 (DRAWINGS AND SPECIFICATIONS) and the terms of the Contract. Exhibition Place will assume, in evaluating all Bids, that compliance with such requirements has been accounted for in the completed Pricing Form.

**1.10 Amendment of Bids (Not Applicable)**

- .1 Prior to the Submission Deadline, a Supplier may amend its Bid at any time after submission of the Bid in Exhibition Place Online Procurement System by using the revise response function in Exhibition Place Online Procurement System. Bids will not be viewed by Exhibition Place until after the Submission Deadline and a Supplier may amend its Bid one or more times if it so wishes prior to the Submission Deadline.

If a Supplier amends its Bid, the Supplier must resubmit the Bid using the revise response function in Exhibition Place Online Procurement System. After resubmitting a Bid, the Supplier should check that Exhibition Place Online Procurement System has generated a time stamp acknowledgment of such resubmission. If a Supplier commences the amendment of a Bid through the revise bid function in Exhibition Place Online Procurement System, but fails or is unable to resubmit an amended Bid prior to the Submission Deadline through the use of such function, the most recently submitted version of the Bid as recorded in the response history function of Exhibition Place Online Procurement System shall be considered to be the Supplier’s submitted Bid, shall be irrevocable and binding in accordance with the provisions of the RFT, and may be accepted by Exhibition Place in its sole

and absolute discretion unless such Bid has been properly withdrawn in accordance with Section 1.11 (Withdrawal of Bids).

#### **1.11 Withdrawal of Bids**

- .1 A Bid may be withdrawn at any time prior to the Submission Deadline by delivering written notice of withdrawal to the Procurement Contact by means of the internal messaging function of Exhibition Place Online Procurement System before the Submission Deadline.
- .2 For clarity, a Bid may only be withdrawn by delivering such notice to the Procurement Contact prior to the Submission Deadline and cannot be withdrawn by any other means. If a Supplier fails to properly withdraw a Bid, the Bid shall be considered to be the Supplier's submitted Bid, shall be irrevocable and binding in accordance with the provisions of the RFT, and may be accepted by Exhibition Place in its sole and absolute discretion, notwithstanding such failure.
- .3 Any Bids that are properly withdrawn will not be examined or evaluated for the purpose of the RFT but shall be retained for Exhibition Place's record retention purposes.

#### **1.12 Bid Validity Period**

- .1 Upon the Submission Deadline, each submitted Bid shall be irrevocable and binding on Suppliers for the period of time following the Submission Deadline as set out in the RFT timetable in Section 1.5 (RFT Timetable) ("**Bid Validity Period**").
- .2 In exceptional circumstances, prior to the expiration of the Bid Validity Period, Exhibition Place may request Suppliers to extend the validity of their Bids and any accompanying Bid Bonds. The request and responses shall be made in writing by the Procurement Contact through the internal messaging function of Exhibition Place Online Procurement System. A Supplier may refuse Exhibition Place's request without rendering its Bid non-compliant. A Supplier granting the request shall not be required or permitted to modify its Bid.

## SECTION 2 - EVALUATION, ACCEPTANCE AND EXECUTION

### 2.1 Evaluation

#### .1 Evaluation Process

- .1 Exhibition Place will conduct the evaluation of Bids in the following two stages.

**Stage 1:** The Bids will be reviewed to determine whether they comply with all of the mandatory requirements of the RFT, including the requirements of Section 1.9 (Submission of Bids). Bids that are substantially incomplete or do not substantially comply with the requirements of this RFT will be excluded from consideration in Stage 2.

**Stage 2:** The compliant Bids will be ranked on the basis of the submitted pricing of each in accordance with the price evaluation method set out in the Pricing Form.

- .2 Subject to its reserved rights set out in this Part, Exhibition Place may at any time and from time to time, in its sole and absolute discretion, revisit, revise, confirm or adjust the evaluations of a Bid at any time during the RFT process.

#### .2 Tied Bids

In the event that Exhibition Place receives two (2) or more Bids identical in price, Exhibition Place reserves the right to select one of such Bids as set out in the Tied Bid procedure under the Purchasing Procurement Processes Policy of Exhibition Place's Policies and Legislation. The Tied Bid procedure allows for Exhibition Place to first consider whether any of the relevant Suppliers are a Diverse Supplier as defined in the Social Procurement Policy to break the tie. If no such Supplier is a Diverse Supplier, then the tie will be broken by way of coin toss or lottery.

#### .3 Materially Unbalanced or Abnormally Low Bids

- .1 A Bid is materially unbalanced if:

- it is based on prices which are significantly less than cost for some items and prices which are significantly overstated in relation to cost for other items; and
- Exhibition Place has determined that the Bid may not result in the lowest overall cost to Exhibition Place even though it may be the lowest submitted Bid; or
- it is so unbalanced as to be tantamount to allowing an advance payment.

- .2 A Bid is abnormally low if the pricing, in combination with other constituent elements of the Bid, appears unreasonably low to the extent that the pricing raises material concerns with Exhibition Place as to the capability of the Supplier to perform the Contract on the basis of the offered pricing.

**Request for Tenders**  
**Part 1 – Tender Process – Section 2**

---

- .3 If a materially unbalanced Bid or an abnormally low Bid is identified, Exhibition Place may seek clarification from the Supplier, including a detailed price analysis of its pricing in relation to the subject matter of the Contract, the scope of Work, the estimated quantities, the schedule for the performance of the Work, the allocation of risks and responsibilities and any other requirements of RFT.
- .4 If after evaluation of the price analysis, Exhibition Place determines that the Supplier has failed to demonstrate its capability to perform the Contract on the basis of the offered pricing, or that the offered pricing in constitutes a material risk to Exhibition Place, Exhibition Place may reject the Bid.

**2.2 Rights of Exhibition Place**

In addition to, but without limiting any other rights or options of Exhibition Place under this RFT, Exhibition Place may, in its sole and absolute discretion carry out the RFT process as it determines to be in the best interests of Exhibition Place and to be the most beneficial to Exhibition Place. Exhibition Place may, in its sole and absolute discretion, exercise any or all of the following rights and options with respect to this RFT, at any time.

- .1 Exhibition Place may waive minor irregularities in any Bid.
- .2 Exhibition Place may extend any deadline in the RFT to address unavailability of Exhibition Place Online Procurement System, in whole or in part, or to address telecommunication system or internet disruption preventing access to Exhibition Place Online Procurement System.
- .3 Exhibition Place shall not be obliged to accept or reject any Bid (in whole or in part), including if:
  - the Bid contents appear to be incorrect, inaccurate or inappropriate;
  - the Supplier has engaged in conduct prohibited by the RFT; or
  - the Supplier or any member of a Supplier's Joint Venture is or becomes bankrupt, insolvent, makes an assignment for the benefit of its creditors generally or has a receiver appointed over all or a substantial part of its assets.
- .4 Exhibition Place may suspend, modify and/or cancel this RFT (with or without the substitution of another RFT) or the Project.
- .5 The lowest quoted price may not necessarily be accepted by Exhibition Place.
- .6 Exhibition Place may verify the validity of a Bid including the Supplier's statements, claims, qualifications or capabilities, by whatever means Exhibition Place deems appropriate including obtaining references other than those offered by the Supplier, and conduct investigations as to the qualifications of each Supplier.
- .7 Exhibition Place may, at any time during the RFT process, require (within such time period as set by Exhibition Place) one, some or all of the Suppliers to:

All requests must be in writing to the Procurement Contact through the internal messaging function of Exhibition Place Online Procurement System and must be made within sixty (60) days of notification of the outcome of the selection process. The intent of the debriefing information session is to aid the Supplier in presenting a better bid in subsequent procurement opportunities.
