

Exhibition Place COVID-19 Contractor Questionnaire

The safety of our employees, contractors, and visitors remain Exhibition Place's highest priority. As the coronavirus disease 2019 (COVID-19) pandemic continues to evolve, Exhibition Place is monitoring the situation closely and will periodically update company guidance based on current recommendations from Toronto Public Health. Only business critical visitors are permitted within Exhibition Place facilities.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone throughout our facilities.
